Fort St. George -

Gentlemen,

I take the liberty of requesting You will recommend for the Sanction of Government, the necessary Repairs, being made to the Cutcherry at this Station, which having been long unoccupied in consequence of the removal of Mr. Parish's Cutcherry to Madura, and from having had no Repairs made to it, since it was built by Mr. Lushington in the Year 1799 - has now become almost uninhabitable from the leaky state of its Roof - the Materials with which it was Built of being raw Brick & Mud, the White Ants have destroyed the Timbers, and the records are daily liable to be damaged by them, or by the rain leaking it at the Roof -

At the time this Cutcherry was built Mr. Lushington

had

had various Accommodations in the Palace in the Fort of Ramnad, where his Treasure & Native Records were deposited these Accommodations have been given up by Mr. Parish at the request of the Rannee, & I now experience much inconvenience from the want of accommodation for my Servants & records. As the Catcherry built by Mr. Lushington is extremely small and insuffecient to contain the Writers & Voluminous Native Records, I request the Sanction of your Board to make two additional Rooms to it for the purpose of Containing the Records & Treasure. The whole of the Repairs & additions being Estimated at 300 Pagodas.

I have likewise to request the favor of Your Board to obtain the Sanction of Government for my employing in Addition to the present proposed Establishment of Servants for this Zillah, A Head Peshcar on the Monthly Pay of 80 Pagodas for the purpose of Superintending the Native Accounts & General detail of my Office.

To the President and Members of the
Board of Revenue
Fort St. George -

Gentlemen

I take the liberty of requesting your Instructions as to the manner I am to realize Arrears of Revenue due from the Renters of Petty Farms such as the Arrack, Beetle Tobacco, Chayroot, Chank &ca in the event of those Farmers falling in Arrears in the payment of their Kists -

I considered Section the XXXII of Regulation II A.D. 1803 as referring me to the 28th Regulation of the Year 1802 for the mode in which arrears of Revenue of every description are to be realized Process in the manner therein prescribed was served by me on Renters owing Balances for the last Fusly and those who were unable to discharge their arrears at the period I had fixed for payment were ordered to be arrested and brought to the Zillah Court - A motion being made by me to the Zillah Judge through the Government Vakeel to have them Confined until their Arrears of Rent were discharged -

I have the honor to enclose Copy of the reply of the Government

=ment takeel informing me my application had been un=
=succesfsfull, I have consequently released the Renters I
arrested not deeming myself authorized to detain them=

Should your Board be of Opinion that the 28th.
Regulation of A.D. 1802 was intended by Government to
operate on all descriptions of Farmers owing Balances
of Revenue - I request a Precept may be obtained from the
Sudder Adaulut to the Judge of the Zillahs to Comply
with my application for the Confinement of those Rent=
=ers owing Balances of Revenue on Account of Petty Farms

I deem it necessary to notice to your Board that
from the Idea entertained by the Judge of this Zillah
that the 28th. Regulation of A.D. 1802, was not intended to
operate on any other Farmers except on Farmers of
Land, the original Renters of Petty Farms are retarded
in realizing the Balances due them from the Sub Renters
in the same way, that I am, from realizing the arrears
of Revenue due by them to Government that I should
wait the tardy operation of the Law under these Circum=
=stances, I conceive never was the intention of Government

It will be difficult for the Renters under the pre=
=sent circumstances to discharge with punctuality their
Kists without sustaining a heavy lofs, unlefs they have
authority to use Summary Procefs to enforce payment of the
Rents due from the Sub Renters, if otherwise, few people
will be found under the present Circumstances willing to
take upon themselves the risk of Renting these Farms
for the present Fusly, I have therefore to request the early
attention of Your Board to this Subject.

Translate of Arzee Submitted by Sawmynauda Pillay a Government Vakeel in the Zillah Court of Ramnad to the Collector in the Zillah of Ramnad.

Your Enoyetnamah of the 31st Ultimo I have received on the 1st Instant at 6 O'Clock P.M. by the Peons of the Cutcherry Named Abdulcauder & Kanneyen on Account of the Balance including the Interest due by Moottia Moodely Renter of Arrack and Toddy of Etteapoor &ca in Tinnevelly Zemindaries for Fusly 1215 Amounting to Star Pagodas 265. 35. 51½ directing me to apply to the Judge of the Zillah Court that the Renter be imprisoned untill he make good the above Balance.

I agreeable to the order received presented a letter enclosing a Copy of your Enoyetnamah to the Judge at 10 O'Clock this day the Court having opened at 9 O'Clock that Moottiah Moodely be imprisoned as stated in Section XIII Regulation XXVII A.D. 1802. The Answer from the Judge was that in the Regulation of 1802, nothing was stated about the Arrack and Toddy Renters, that if a Petition be drawn out & delivered to the Court the matters will be enquired in to the same manner as other debts & the aforesaid Demand be collected.

I have related to you what has passed, & I will obey the Commands I expect from the Huzzoor.

To the General Agent for Salt Monopoly

Sir,

I have the honor to acknowledge the receipt of your Letter of the 12th August last—

In Compliance with your Instructions I have the honor to enclose a Statement shewing the particulars required by the Form enclosed in your Letter to which I have added some additional heads shewing the names of the Pans from whence each Mundy will be Supplied, the distance between them, the expected Quantity of Salt to be Sold annually at each Mundy, the Profit arising therefrom, the Amount of Saderwared & Sibbendy expences per Year and the Amount Estimated for Erecting Mundees—

The Profit allowed to the Merchant has been regulated by the distance he has to Carry his Salt to market, it appears to me amply Sufficient as the Merchant by employing his own Cattle will gain nearly the additional Profit equal to what the Company are Charged for Carriage. The Esta-

-blishm

-blishment of Salt Mundees therefore cannot in my opinion affect the Merchants trading in the smallest degree.

Should Government think proper to authorize the Establishment of Salt Mundees, I shall lose no time in having them erected at the places pointed out in the enclosed Statement that sufficient Salt may be laid up before the setting in of the Rains at which period the Price of Salt generally rises Considerably.

Board of Revenue-

Fort St. George-

Gentlemen,

I have the honor to acknowledge the receipt of your Letter of the 3rd. September relating to the transfer of the District of Nadoomundalum from the Collector of Madura to my Superintendence-

The Collector of Madura having called on me for my opinion on that Subject, I have informed him I see no objection to the transfer of that District to my Superintendence, provided, I am relieved from the Superintendence of the more distant Pollams of Singumputty Woorcaud, Sorundy Chokumputty, Wootmally, Nadavacourchy, Talavuncottah & Awadiapooram- In order to render my district Compact, I take the liberty to suggest to Your Board that the district of Vypar be transferred from the Collector of Tinnevelly over to my Superintendence:-

In the event of my being relieved from the Superintendence of the distant Pollams above named, the Huzzoor might continue at Ramnad its Situation with regard to the Northern & Southern extremities of my district is nearly Central, being from its Northern Boundary 65 English Miles, from its Southern 58 English Miles- As regards its Western extremity it certainly is not Central, but the necessity of being as near the Coast as possible on account of the frequent passing of Troops to & from the Island of Ceylon, that Boats and Provisions be furnished at the shortest notice, requires

the

the presence of the Collector or the principal Servant of the Huzzoor. The removal of the Collectors Treasury from the Protection of this Garrison, is also a Material objection to making the Huzzoor at any other Station, than Ramnad, and it will not Materially interfere with the Superintendence of the Western districts, as I shall be frequently on the Circuit of the whole of them.

Should your Board however be of opinion I ought to adopt a Central Situation, Puttemurra appears to me the most Central Spot, but as there is no building of any kind at that place, I request the Sanction of your Board to erecting a Cutcherry there.

I have the honor to forward a revised Moyenzabitah for Ramnad to which I request the Sanction of Your Board.

To the President & Members of the
Board of Revenue –
Fort S.t George –

Gentlemen,

The Manufacture and Sale of Salt Petre Brimstone & Gun Powder, having been discontinued since the publication of the XI.th Regulation 1803 in which they are declared prohibited Articles, much inconvenience has been experienced by the Pagoda Bramins in obtaining a small Quantity of the latter for the performance of the Religious Ceremonies of the Pagodas, the want of Brimstone & Salt Petre, has been also much complained of being Articles used for various domestic & Medicinal Purposes –

As it would be improper to allow the free Manufacture & Sale of these Articles, I take the liberty to suggest to your Board they be Manufactured and disposed of under the personal inspection of my Amildar of the Salt Department and that Individuals requiring these Articles be supplied on Registering their Names & the particular purposes for which they are required, in my Cutcherry –

Gentlemen

I have the honor to Report to you the Death of Mardapah Taven ~~Zemindar~~ the Zemindar of Wootamally which happened on the 10th August last, & names the successor — also the death of the Zemindar of [illegible] he has left two Sons Navaneeda, Kistnah Taven and Navaneedakistnah Marudapah Taven the the former aged 15 Years he had by his wife Auvvoidamal, the latter aged 6 years by his wife Annapoorny these two Wives both of the Soodra cast, he Married at the same period — the Relations of the younger Son appearing inclined to dispute the right of Succession of the Elder to the Estate of the deceased Zemindar I summoned the two Sons with the Principal people of the Deceased to my Cutcherry and examined them

No. 1. I have the honor to enclose the examination and Translate thereof also a Petition

No. 2. and Translate from the Mother and Grand Mother of the Younger Son. The Elder Son Navaneedakistnah Taven presented me ~~with~~ the paper No. 3 — which he declared, was given him by his Father Nominating him as his Successor when taken suddenly ill some time ago at Veerakaralumpoodoor and that it was given in presence of Balapattraram Taven who on being Questioned as to the truth of it

it acknowledged it to have been the case. it appears to me that Navanudakistnah Tavern is the legal Heir to the Puttum and I believe the Hindoo Law of Inheritance Ordains when Sons are Born of Wives equal in their Class. that Seniority is not with regard to the Mother first married but According to the Birth of the Son first born.

The Relations of the Younger Son alledged that the Deceased had Married his Mother previously to having married the Mother of the Elder Son but was remarried a Second time along with the Mother of the elder Son and on this they grounded the right of the Younger Son to Succeed to the Puttum I assured them that Government who were ever desirous of doing Justice would undoubtedly Confirm the Succession of the Son who their own Laws Ordained Should Succeed to the Puttum and that they must patiently wait and obey Such Orders as Government Should think proper to give them

The interference of Government in this Instance has been particularly beneficial for previous to the Zemindars Death parties had been formed by the Relatations of two Sons to oppose each other in placing an Heir on the Puttum and Shortly after the Death of the Zemindar

Several

several of the parties had armed themselves and
were on the eve of proceeding to act of Violence
had they not been prevented by my Aumeen who
I instantly dispatched to inform them that by
persevering in such conduct they would not
only incur the severe displeasure of Government
but probably forfeit their Zemindary and to
proceed immediately the funeral Ceremonies of
the Deceased had been performed to my Cutcherry
an Inventory of the Property of the Deceased
estimated Pa. 3867-4.22 was taken by my Aumeen
and the Property secured under the Seals of the
Zemindar in presence of the two Sons and other
relations and the Keys and Seals forwarded to
me - it appears that the Deceased Zemindar
was himself afraid that the right of Succession
on his Death would be disputed by his two
Sons and it is pleasing to reflect that so
respectable a Subject of the Company as the
Zemindar of Wodamalay should with his dying
breath declare that he had implicit Confidence
in the Company's Justice who he was sure would
nominate the legal heir to his Estate - and he
positively directed that his Keys and Seals
should be delivered to the Collector that the Company
might deliver them to that person who was
intitled by law to receive them on his Death -
at the same time warning his Sons for the peace

of

of his Soul to obey Such Orders as they Might receive from Government

I have now to propose for your Sanction Rajahgopala Iaver as Guardian of the Heir during his Minority and that Such Salary be allowed him as your Board May deem proper for his Trouble

Chokalingum Pillay appears to me the fittest person to be appointed Manager of the Estate and he agrees as does the Other to enter into the Obligations required by the Regulations

I have also the honor to report to you the Death of Rungapah Naigue Zemindar of Mailnaudy which happened on the 14th June 1805 he has left three Sons the Elder Named Putchakoonjiah Naigue is 13 years Old one Named Madarajoo 10 years Old and the Other Sattanaaigue 7 years Old the Estate has until this period been Managed by their Uncle Saidupudy Naig who I Summoned with the Young Zemindars to attend my Cutcherry the Examination he underwent is detailed in the Accompanying Paper No 4 I beg leave to propose him as manager to the Estate as he appears Capable from his long experience of conducting the business Valasamy Naik a Man of good Character and Brother to the

deceased

15

deceased has agreed to Superintend the Education to the Minor if your Board should think proper to Nominate him to that Situation I Request such allowance as your Board may think adequate to their Responsibility and trouble be fixed for each of them—

Shortly after my arrival at this Station the Minor Zemindar of Colaput appeared at my Cutcherry and requested he Might be instated in his Zemindary having passed his 18th Year of Age. On referring to the Report regarding him made to your Board by my Predecessor under date 11th December 1805 I find he was at that time reported to be only 14 Years of age which at the present period would make him 15 Years it appears however to have been a mistake as will be

N.os 5 & 6 Seen on perusal of the inclosed deposition taken from the Priest and Punjangum Bramin of Colaputty Village by which it appears he was born in Saumya Year corresponding with the English Year 1788— I have therefore to Request the Sanction of your Board to instate him in his Zemindary and to deliver to him the Surplus Revenue deposited in my Treasury amounting at this date to Star Pagodas 355-27-24 (Pas. F. C.)

I have also to inform your Board I have in deposite the Sum of St. Pagodas 6,327-39-11- being Surplus

Revenue

Revenue belonging to the Minor Zemindar
of Singumputty with which I propose to
your Board to purchase Company's
ten Pr. Cent Promissary Notes the Singumputty
Zemindar has however consented to lend
to the Zemindar of Auvoodiapoor Startpagodas
244. 27. 3. to assist him in discharging his
Balance of Peshcush for last Fusly which
Should Your Board approve of he the latter
will be furnished with my Receipt for
that Amount.

1st. I deem it necessary to inform Your Board that I experience much delay and difficulty in realizing the outstanding Balances of 1215 Fusly due from the Zemindars in consegence of Commissioners for Selling the Attached Property not having been yet appointed by the Zillah Courts, a large Quantity of Grain that was attached being liable to spoil from long keeping I direct it to be sold by my Aumeens at the particular request of the Zemindars to whom it belonged, in conjunction with their own people; the other property attached, I have not thought it adviseable to dispose of without your previous Sanction.

2nd. The Balances due from the Zemindars being charged with Interest makes them accumulate very considerably every Month which added to the expence the Zemindars are put to maintain an Aumeens Establishmt.

for

for the Zapted Lands is severely felt by them, at the same time the attached property of the Zemindar cannot by the Regulations of Government be sold, but by the Commissioner under the Authority of the Zillah Courts, none of whom are yet appointed.

3rd. Your Board will perceive by my Diary of last Month that I have endeavoured to lighten the expence of the Zemindars for entertaining Establishments of Aumeen as much as possible, by reducing such part of the Establishment as I considered to be not absolutely necessary.

I have to request the favor of Your Board, that some measures may be speedily adopted for selling the property that has been distrained by me in order that the Balances may be realized.

I have the honor to be with great respect

25th Nov.r 1806.

To the President & Members of the Board of Revenue
Fort St. George –

Gentlemen,

32

Gentlemen,

In Compliance with your Instructions under date 25th July last, a Notification was issued on the 28th August inviting proposals for the exclusive Rent of Beetle & Tobacco &ca for each Zemindary for one Year to be given in by the 20th Septr.

Several proposals were made and the highest as shewn in the enclosed list were accepted, a Cowl was granted to each Renter, and a Muchilka received from him a Notification was Published on the 14th October Prohibiting any other People excepting the Renters from Selling the Articles specified on the Renters Cowl under penalty of such goods being confiscated, and the vender of them being made to Pay a fine according to the Judgment of the Zillah Court the articles rented were specified in the Notification.

The Board will perceive that one Month and a half's notice was given from the date of the first Notification till the period the Rent was Concluded to allow the several retailers of those Articles to dispose of their Stock on hand and for them not to lay in a further Stock until the Rent had been concluded.

Many objections started up against fixing a Retail Price for the Beetle and Tobacco, In the 29 Zemindaries of this Collectorate the Price was found to vary in each, both in the purchase from the Cultivator and the Retail Price by the Bazar Merchants, and those prices to vary again three or four times in the Year according to the nature of the Season & the time of the Year, On account of the selling

Price

Price in each Zemindary for three years was procured from the Merchants and an Average of the profit the Retailers gained on the purchase Price was taken —

In some places the profit of the Retailer Amounted to 100 in others to 75 and elsewhere never less than 50 pr. Cent, on the purchase Price from the Cultivator, Seventy five pr. Cent above the Purchase Price from the Culti=vator was therefore fixed as the Standard the Renter was to Retail at from this Profit of Seventy five Pagodas pr. Cent the renter was to discharge his Kist, and to defray his Sibbendy & Saderwared Charges which when defrayed will be found to leave but Moderate profit to the Renter —

I did not suppose it was the intention of Your Board that the exclusive Sale of Beetle & Tobacco, should inter=fere in the smallest degree with the Price at the Cultivators sold to the Renters and I therefore considered it proper to leave the Cultivator at full liberty to sell at his own Price to the Renters, as the demand of the Cultivators will always be regulated according to the nature of the Season and the abundance or scarcity of the Crop the Renters being at liberty to Retail at 75 pr. Cent above the purchase since both the Cul=tivator and Renters would be secured from Loss and the Public Consumers of those Articles would pay in proportion to the abundance or Scarcity of the Crops —

If the Renters should impose on the public by selling at a higher profit than allowed them, on Proof being given in the Zillah Court, they would I suppose be fined for a breach of their agreement —

In

In this Species of Rent the Renter must of Course entertain a large establishment of Watchers to prevent Smuggling and he of course as Sole vender of the Beetle &ca. Consider himself authorized to seize people who attempt to smuggle those goods and to receive those goods when Confiscated by the Judge and also the fine imposed for the injury done him by the attempt, but as the Collector has no authority to limit the power of the Renter in this case he might not unfrequently commit acts of injustice -

Notwithstanding the long notice that was given to the Merchants that a Monopoly of the Articles of Beetle and Tobacco &ca. would take place after a certain date instead of disposing of their stock on hand on the Contrary (& I believe solely from a spirit of opposition to the Measures of Government) they purchased up as much as they could procure -

The first Kist of the Renters has been discharged, the second is due about this period, but some disagreement having occurred between the Buzar Merchants and the Renters the Parties appealed to the Zillah Judge when the Renter was informed by the Zillah Judge as he states in the accompanying Petition, that as no Regulation of Government had been received, he was not authorized to act upon the Cowl granted to him by the Collector the consequence was, that no further regard was paid to the Proclamation published by me prohibiting any person excepting the Renter from Selling Beetle & Tobacco, and the Cowl granted to the Renter was of Course no longer respected -

by the Merchants who immediately opened their Shops and have for some days been retailing these Articles as formerly. I have not thought it my duty to interfere further in this business than to forward the representation enclosed from the Ramnad Rent-er until I receive the Instructions of your Board

I am only sorry to observe that Government by the Renters not being supported is liable this year to sustain a loss to the Amount of 14,400 Star Pagodas, the Amount at which the Beetle & Tobacco &ca. Farms had been rented for

According to the Instructions of your Board dated 2nd. October a Complaint was preferred through the Governmt. Vackeel of the Zillah Court of Ramnad to the Judge for the recovery of the outstanding Balances for the Petty Farms rented in 1215 Fusly, I have just been informed that the Petition has been thrown out in consequence of the Judge having received no Regulation from Government Authorizing the Collector to rent the Arrack Farms, for the same reason I suppose no support will be given me in realizing the kists of the Arrack Farms of 1216 Fusly which I have settled at 2900 & odd Pagodas.

Presented an Argee to the Zillah Judge on the 21st Instant stating that all the People were bring-ing Beetle and Tobacco, Clandestinely and selling in the Buzars who replied that there was not specified any thing about Beetle & Tobacco in the Regulations and I was directed to restore the Beetle &ca. to the People from whom I had seized it, according to this order I delivered the Beetle & Tobacco to the People I have kept at the different roads, Peons to watch & seize Beetle, Tobacco, Goodaaick Bang, & Ganjah, if any one should bring or sell it Clandestinely, the Judge has ordered to take them from their Stations I have accordingly done so. On the 22d. The Gardners daily trouble me, I have bor-rowed about 800 Pagodas from which I have paid 500 Star
